MEET SUPPORT

Our team hosts swim meets during the season to give our swimmers the opportunity to swim close to home. Each family must work 1-2 sessions at each meet hosted by Team Sopris and donate an item for hospitality. Families may also be asked to time or provide other meet support at away meets if required by the hosting team. If you paid the Volunteer Buyout Fee, it does not exclude you from volunteering at our home meets.

CHANGING GROUPS

In the event the coach recommends a swimmer be moved up to a higher level during the season, the family will be notified. Monthly fees for the remainder of the agreement will be based on the higher group rate.

PRORATING

Families who join after the September registration period will pay the entire registration fee plus monthly membership fees starting with the first month their swimmer starts with the team and continuing until the August payment has been made.

HOLDING FEE

Families have the option to put their membership on hold by paying a holding fee equal to 20% of the monthly dues which will be charged for each month on hold. Written or email notification must be provided 30 days prior to the intended hold date. Upon return, the annual membership will again be invoiced for the balance of the year. If you opt to not pay the holding fee your membership will be canceled, and you will be required to re-register upon your return. Developmental groups are not subject to the holding fee.

RESIGNATIONS

Families must submit a written or email notification of resignation 30 days prior to intended date of resignation. The family will be responsible for any unpaid balances owed at the time of resignation. Families of new swimmers may cancel their membership at the end of two weeks if they decide not to continue and receive a 50% refund of the registration fee paid. Written request for refund must be submitted by the last day of the two-week trial period.

MONTHLY BILLING

Families are required to set up an online account with Active to register their swimmers. Since all billing is done through Active, families are also required to enter either a checking account or credit card at the time of registration. Payments for membership dues, meet fees and any other fees incurred will be taken out automatically each month. The initial payment is due at the time of registration. If your check is returned due to insufficient funds, you will be charged for any expenses incurred by the team in addition to a \$30 returned check fee. Should collections actions on your account become necessary, you will be responsible for all costs associated with collections actions, to include court costs and/or legal fees. All funds owed to Sopris Barracuda Swim Team from the previous swimming year must be paid in full before the swimmer is allowed to participate in the new swimming year.

POOL CLOSURES

Team Sopris is subject to any pool closures the Glenwood Springs Community Center might have.
