	Steve	91 swimmers. Two or three in pool are unregistered. We will lose 4-5 seniors graduating. List of 6 for tryouts in the fall.	
	Aspen Meet	33 going - somewhat small number. We backed out of Montrose. They don't come to our meets. Probably have the conversation at Western Slope meeting - too many little summer meets etc.	
	Crystal Safe Sport Update.	Every board member has to be a USA swim member, background check, and safe sport that is more than the parent training. Amber and Darren need take full safesport and Kayo needs to renew.	
	CSI Meet	6 swimmers going and are well seeded.	
	Eagle Rec Meets	Steve handpicked newer swimmers to invite and we will attend all three for younger swimmers who are not ready for bigger meets.	
	Grand Junction Invite	Few swimmers going to this but Steve would prioritize Western Slope.	
	Western Slopes Champs.	Invite not out there yet. Steve going to reach out to them to ping them to get that out there.	
	Swim for Sopris	\$8400 - Steve feels that we need to spend some of that money - when we do fundraisers we should spend that. Flags, Starting block, Scholarship, Record board.	

	<p>Payment for Coaches for Sessions</p> <p>Registration</p>	<p>Discussion about where funds should be spent. We should spend money out of our Two Rivers Fund. We also still need those flags.</p> <p>We did not apply for city discretionary funds this year - we should do this next year - city really wants us to and if we show that this can that scholarship for paying for kids community center memberships.</p> <p>9 sessions a year are built into coach salary. Steve believes we should pay mileage for coaches to meets. The board decided to pay mileage to meets (including home meet for Bob or any other coach that wants to use it.</p> <p>Steve will make a draft of this and mark it up and send it out. We should come up with a fee increase? Steve is going to look at some other teams.</p> <p>We will have a significant increase by moving kids up. Steve thinks we most likely should have a slight fee increase - most likely a recommendation of a couple percent.</p> <p>Team Manager Question And if we don't go down that road do we compensate board members like Tiff that are feeling taxed.</p>	<p>Flags and One More Lane Line we need to keep bugging him about this.</p> <p>Steve is going to start a google doc with list of items that we need to purchase.</p> <p>Board Member Compensation Question</p>
<p>Next Meeting</p>	<p>Wednesday, July 6 5:30pm</p>
