Time	Agenda	Discussion	Action
Old Business			
	Board Members	Who needs to come up for vote?	Kayo needs to figure this out.
	Coaches Report	Steve did establish that Cristi is the only one that can access the account and we need to get a co-signer. Jeff Tuttle and Christi are on the checking account and Steve and Christi are on savings.	
	Groups and Pool Update	Stevie said that all that paper work has been done.  Steve has gotten away with old names and using what he has been doing with signup genius. Community Center wants us to still use signup genius. Steve sends a list once a month to John and he checks in against who needs to purchase a community center pass. We will continue to use the back door until we do away with sign up genius.  Two kids per lane. Very seldom three a lane.  Little kids, two in every lane. Working fine. This has allowed us to double the number of kids in the pool.  We are not very busy right now because of summer vacations. Steve anticipates that we will pick up again.  Big kids are about 80%, little kids 70% right now.  We started afternoon practice on Thursdays, to accommodate kids still in school.	Stevie will check in with Christi about all this.
	Tryouts	Tryouts: We have three on wait list (three that haven't responded).	

	<p>Aspen Meet Update</p> <p>Grand Junction Meet</p> <p>Western Slopes Championships</p> <p>Avon Open Water</p> <p>Mountain Swim Series</p> <p>Fun Home Meet?</p> <p>Grants</p> <p>CoVid</p> <p>Senior Photo Books</p>	<p>Everyone else has responded, but some moved on to other things.  7 chose not to tryout and may come back this fall.  Two are currently in water.  New tryout tomorrow.  11 that have tried out and signed up and are in pool.  5 that were on hold and have come back.  That puts us somewhere near 65 members not including masters right now.</p> <p>Coach Kelly does a great job with the really young kids. Steve said that he does not love working with the newbies and he appreciates that Kelly and the girls can do this.</p> <p>29 going. Steve on Saturday and Bob on Sunday.  20 little kids. Some first timers. Amelie and Ellie help on Saturday.</p> <p>June 24-27. GJ full. College offered to open up dorms.  This is same weekend as boys states.  Steve will need some help. We missed the window for this city grant. Figuring out when this gets advertised is tough. Steve will ask if she is up for monitoring when these deadlines come up.</p> <p>What do we want to enforce this summer? City recommends that if you haven't been vaccinated that you should wear a mask.  Mask Plan: Under 12 mask up (and Bob mask up when coaching them). 12 and up no mask mandate.</p> <p>Books came out small. Steve going to give that but also ordering bigger</p>	<p>Kayo will ping the group of parents interested in becoming officials.</p> <p>Kayo will put info together.</p>
