	Turkey Trot	<p>Tiff is going to reach out to Mike Vidockovitch and see what he is thinking and otherwise Tiff is thinking we go the virtual route.</p> <p>Stevie let the golf course know that we will not be renting their space. Stevies sense was that the golf course continues to want to be fully shut down due to CoVid.</p> <p>What do love about the Turkey Trot: Venue and post race meal.</p> <p>The board decided to take another year off. Steve suggests that we let them know that we would like to do it again next year.</p> <p>STeve is very good with putting off another year - exhausting for him.</p>	
	Public Health CoVid 19 Grant	<p>Steve presented the nature of this grant to the board. Someone should reach out to Carry Gotus and check in with her.</p>	
	Card for Joslyn	<p>Kelly has it and we need to continue to get more signatures.</p>	
	Deep Freeze Meet To Do List	<p>Invite has been redone - turned meet into 4 sessions. Sounds like a bigger meet than Aspen. Morning and afternoon session each day with 12 and under in morning 13 and older in the afternoon. Cristi sent invite to Jackie on Saturday.</p> <p>Left a lot of things open regarding mask and number restrictions and who we are going to invite.</p> <p>Gym is reserved. \$1200 a day.</p> <p>Steve has a CoVid plan, we need to make some decisions around masks.</p> <p>Steve upped the meet fees to cover the cost of the gym.</p>	

	Sand Piper Meet Numbers	Steve has reached out.  92 swimmers in the pool. Steve is going to open up registration to those on the waitlist.
