2025 Grand Junction Invitational

June 19, 2025 – June 22, 2025

All final events will be swum slowest to fastest (B consolation heat first, then A final) from youngest to oldest age-group. The top 16 swimmers will advance to the finals. **All teams are only allowed to enter two 19&over swimmers that can score points in each event.** The remaining 19&over swimmers will be entered as exhibition only into the event. One lane (lane 10) will be used for warm-up/cool down with 1 buffer lane between the competition pool and warm-ups. Finals events will be swum in 8 lanes.

In events where finals are offered, prelims for the 11 & Over athletes will be swum combined ages while finals will be swum by age group.

Qualifying Times: Qualifying times are required for all 13 & Over swimmers. USA Swimming determined “B Min” National Age Group Motivational Times, 2024-2028, will be used for all events except the 400 Free and 400 IM which will require the “BB min standard”. **The OPEN 800 and 1500 Freestyle** will use the 13-14 “BB min standard” as the qualifying time. These Standards are provided by USA Swimming.

Seeding & Scratch Rules: The meet will be seeded in accordance with USA Swimming Rules with non-conforming times last. The meet will not be pre-seeded.

For prelim sessions scratch procedures will be enforced as per 207.11.6 of the USA Swimming Rules and Regulations. All scratches for the first day must be emailed by 6:00 PM Wednesday, June 19, 2025, to jenkinserinr@gmail.com. The scratch deadline for all subsequent days shall be thirty minutes after the published starting time of the final session of each prior day's events.

Article 207.11.6 will be used at this meet: In all events where preliminary heats are necessary or in any timed final event for which the swimmer has been positively checked in, for after the heats have been seeded, any swimmer who fails to compete in an individual event heat, in which such swimmer entered and has not been scratched, will be barred from all further individual and relay events of that day and must positively check in with the Admin Referee for future days. **Swimmers will have the opportunity to declare a false start (DFS) until the start of their heat if required.**

Swimmers qualifying to swim in finals must declare to the Admin Referee their intent to scratch within 30 minutes of the announcement of results. As top qualifiers scratch, other swimmers become eligible for finals. If a swimmer does NOT want to swim in finals, they should scratch their names on the list with the Admin Referee no matter how far down the list their name appears. The athletes swimming in finals will be posted as soon as possible after the 30-minute scratch period. Any swimmer qualifying for a consolation or championship final in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet.

Conduct: Current USA Swimming Rules, including the Minor Athlete Abuse Prevention Policy (“MAAPP”), will govern this meet.

All applicable adults participating in or associated with the meet acknowledge that they are subject to the provisions of the USA Swimming Minor Athlete Abuse Prevention Policy (“MAAPP”), and that they understand that compliance with the MAAPP policy is a condition of participation in the conduct of this competition. No swimmer who is not a member of USA Swimming shall be allowed to compete. A meet recon prior to the meet will help identify any athlete that is not in compliance. While it is absolutely the responsibility of the athlete member to complete the requirements of membership (including APT for 18 & over athletes), as a safeguard, it is the responsibility of the LSC to ensure that all swimmers competing in a sanctioned event be members of USA Swimming in good standing. The Meet Referee will have the final authority on all procedures regarding the conduct of the meet.
