	Swim For Sopris	<p>Steve still collecting envelopes and collecting money. Looking for volunteer to count money. Turnout was good - seems like we collected quite a bit of money. Still working.</p>	
	Coaches Callendar	<p>Busy, busy summer. Graduations interfered with Durango. Bad timing. Canceled. A family or two going on their own. They will hang out with Durango team. Our Home meet, followed by ASpen, followed by MOntrorse, week off, then GJ invitational. Meets every weekend through western slopes and then state meets. Tiff. Likes Montrose meet - fun because of venue and community pool and not too far away. Easier meet to get to. More opportunity to swim and attracts kids that wont go to gj invitational.</p> <p>Good help right now. Kelly awesome. Heidi getting certified. People getting certified etc. Sophie Price and Macy Wilson as athlete coaches.</p> <p>Summer schedule posted. All mornings. OUt of pool by 10 every day. Jr Sr workouts longer and adding dryland. Some parents cant get kids to the pool in am, but otherwise people happy.</p> <p>Steve canceling Zoom contract we will continue to use Kayo's.</p> <p>Highschool Prep: has always been a way for swimmers to practice to prep for highschool. Steve has good</p>	

		<p>highschool help: PHil Long, not USA certified - so if this went therouh team sopris, these kids would have to do USA swimming and pay a couple fees.</p> <p>Does Sopris want to let loose of that - we don't make a lot of money on this - we would donate any extra money - this would cost team sopris about \$500 a year in fees it collects from this program.</p> <p>Currently we are doing \$40 a month one year we did \$100. They pay that but also have to pay to be USA Swimming - sometimes we pick up swimmers from that. Anna Thornton. And her brother.</p> <p>If we separate, Steve gets coaching help from PHil Long, whereas if they separate Steve also looking at a highschool camp.</p> <p>The board is recommending that we follow steves recommendation that we give steve the goahead if he wants to separate the highschool program from the club and we try this for a year.</p> <p>A motion was accepted to do this. Steve will make this decision and report back on this.</p> <p>Date Proposal: Friday, June 3, before our swim meet. Kick-off to season party. We could do parent orientation at this picnic too. Fun practice before picnic?</p> <p>Patio of community center. Community center grill? Need to ask Cristi. We most likely need to bring our own propane. Gives us two weeks to set this up after graduation.</p> <p>Steve has talked to Addie about doing the picture books. Might be difficult to get these books done by this party, so we may need to kick these down the road.</p> <p>If we can get another parent to take on her active management.</p> <p>Stevie ordered trophies. Stevie asked Tiff to check to see if we have ribbons and medals. Stevie going to look at caps for participation awards. Agreement with Marriot for room blocks for visiting teams. Invite is out.</p>	<p>Tiff and Stevie get a generic flyer out before graduation - they will send to Steve and he will get something on signup genius too - and then stevie and tiff get together after to iron out details. Till talk to John about whether we can get the pool for a fun practice that Friday.</p>
	<p>Summer Picnic</p> <p>Stevie Madsen Transition</p> <p>IMX Meet</p>		

	Community Center Closure	<p>Stevie will set up volunteers for home meet.</p> <p>August 15th through 5th of sept. We'll decide the week before how much we take off with the team. We may close a couple days before that... three-week closure to retile the pool.</p>
