

## 2022 CSI Pioneer Open Timer Assignments

Participating teams are required to provide timers for CSI Pioneer Open. If you are a parent of a smaller club and are assigned a relief duty, please help when possible. Your cooperation in this process is appreciated.

**The Hilltoppers intend to provide all timers for all Finals Sessions. If there are volunteers from other teams that would like to time during these sessions, WE WOULD GREATLY APPRECIATE YOUR HELP! Please check in at the timing table.**
